"I had a lot of trouble with my little girl's eczema. She had been a sufferer for some time. The eczema started on her arm and then it got on her face and ear. We had our family doctor, who treated her and did all he could. He gave her all kinds of salves and remedies, but without success. The disease tormented her so she weuld scratch day and night. Then I read of what Cuticura had done for other children. We used Cuticura Soap and Cuticura Ointment, bandaging her se that the eczema would not spread over her whole bedy. After using the Cuticura Remedies for a month she started to improve. I have used Cuticura Soap for her since she was born, and that with one box of Ointment cured her. I am glad she is cured, and I always recommend the Cuticura Remedies. Mrs. Lillie Bittner, 529 Ontario St., South Bethlehem, Pa., March 18 and April 15, 1908." April 15, 1908."
